Wilberforce man killed in deer hunting accident

WILBERFORCE — Early last Wednesday morning about one kilometre southwest of the village, a 21 year old Wilberforce man was shot and killed by a hunting companion who mistook him for a deer.

Timothy Kevin Oram was walking near a cedar swamp when his hunting partner Michael F. Irvine 26, also of Wilberforce spotted something white moving near the swamp and fired one shot. The bullet ripped through the left side of Oram's chest and came out the right side, killing him instantly.

Oran was a very popular and talented hockey player, who played for the Haliburton Huskies until 1977. He attended HHSS until he graduated in '77.

Coroner on the scene was Dr. Harry Good of Haliburton and a post mortem was held at Peterborough Civic hospital on Thursday, Nov. 8. OPP report that charges are pending in the fatal shooting. Corporal R. Foran and PC Gary Chapman.

Refugees may be delayed

for four months

It could be a four month wait for the refugees scheduled to live in our area to actually arrive here. This information was delivered by Mrs. Joan Beck, who is one of the settlement consultants for the Ministry of Culture and Recreation working out of Peterborough. Mrs. Beck was speaking at the October general meeting of the Haliburton County Social Planning council meeting held in the West Guilford Community Centre.

The assembly also heard detailed remarks by Mr. Alan Vallillu who is the area manager of Children's Services. He explained how the following community services have been established under one government ministry during the last two years available to our population: 1) children's mental health; 2) child welfare service 3) day nurseries 4) juvenile correction training schools 5) observation of detention homes and 6) children's mental health retardation services.

The public is always welcome to attend the general meetings of Social Planning in Haliburton Cty., the next one being scheduled for Wednesday, Nov. 21st at 9:30 am at Dysart et al municipal offices.

Minden OPP find hunter safe

After spending a night in the bush, a Toronto man was rescued by two officers from the Minden OPP detachment patrolling the area in a four wheel drive vehicle.

Failing to return by 8:30 pm Saturday, the wife of Donald Best of Rexdale phoned the detachment to report her husband missing after a day of hunting. Officers say he was wandering around in the forest south of Dorset and found a bush road leading to a hunt camp in the area where he was found the next morning apparently in good condition.

Haliburton Legion marks Remembrance Day

A \$2,000 donation to the Haliburton Legion by members of its Ladies Auxillary highlighted the Legion's Remembrance Day dinner last Sunday. The presentation was made by ladies auxillary president Irene Higgins to Branch 129 president Allin Cooper, above.

The dinner capped a day-long series of special events and ceremonies marking Remembrance Day and honouring those who gave their lives for Canada in both World Wars and the Korean conflict.

The morning Remembrance Day service at the Legion Hall was followed by a Legion parade to the Haliburton village cenotaph where wreaths were laid and the Last Post played. Some 170 persons, including three World War I vets, were on hand for the evening dinner.

In bringing greetings from Dysart, Reeve Murray Fearrey said Remembrance Day is a reminder of our obligations to instill in our youth those very qualities training gave our servicemen — respect and pride.

In a reference to recent vandalism in Haliburton Reeve Fearrey argued "we've gotten away from discipline." "In the home we give more to our children and ask them to do less," while at school we have "a more relaxed atmosphere and growing parental interference." "We're quickly losing respect for ourselves, our friends, our families," he said.

Special guest speaker, Victoria-Haliburton MPP John Eakins, shown with president Allin Cooper, stressed the role of Remembrance Day in reminding us of the many sacrifices made by Canadians to preserve our country and our way of life.

Victoria-Haliburton MP Bill Scott, pointed to the Royal Canadian Legion and its members as "a guide to follow" in today's quest for peace.

Two drivers received minor injuries and three drivers were charged careless driving. Five collisions Thursday morning

OPP were kept on their toes Thursday morning, investigating five collisions between 7 am and 12 noon. The first occurred on Hwy. 121 when Kenneth Le-

may 35 of RR 2, Janetville was driving a Bell Canada van eastbound, left the highway and rolled over in the north ditch. Damaged to the van was \$5,000. PC Brian Dunham.

The next accident happened at 8 am on the Old Bobcaygeon Road near Minden, when Jennifer Anderson 18 of RR 2, Minden was driving southbound in her car, entered the east ditch due to slushy road conditions, rolled onto its side in a creek. Three single car collisions

On Friday OPP report three separate single-vehicle collisions. The first occurred at 4:10 pm on 121. Jean E. Allan 40, of Guelph, was southbound when her car entered the west ditch and rolled over. \$3500 damage to her car. PC Mike Maher. At 4:30 pm on Hwy. 503 east of Gooderham, a car driven by Guy D. Eakins criticizes McMurty

John Eakins, Liberal member for Victoria-Haliburton has strongly criticized attorney general Roy McMurty and his department for incredibly slow and insensitive handling of an individual's right to simple justice.

The case involves a constituent who received a speeding ticket in August of 1978. At his court appearance in mid December ('78) he received a fine of \$18 but given the option of three days in jail. The judge, upon hearing that the defendant elected to take the three days in jail, declined to enforce the sentence reportedly stating it was too close to Christmas. Subsequently, the driver in question received notice that his license had been suspended for non-payment of the fine. As of today his drivers' privileges have yet to be re-instated.

"Although one can applaud the generosity of the judge in his decision," Mr. Eakins stated, "surely the person in question should not have had his license suspended when he was perfectly willing to accept the jail term rather than pay the fine."

"I have been dealing with the attorney general's department since mid-August of this year regarding this matter," continued Mr. Eakins, "and have been completely frustrated in getting any satisfactory response at all."

In the early hours of Sunday morning, about 3 am, a Bobcaygeon man was charged with careless driving and failing to wear a seat belt assembly. Leonard Barr 28, was westbound on 530 when his car entered the south ditch where it struck several trees. Barr received minor injuries in the accident and was taken to hospital. Damage, \$4000.

Also on Sunday in the Wilberforce area, a 27 year old Haliburton woman was treated for minor injuries following a single-vehicle collision.

Christina Donaldson was southbound on Cty Rd 3 around 1:30 pm when the pickup she was driving rolled over on the southbound lane and came to rest on the shoulder of the road. Damage, \$5000. PC Boyd Jarvis.

Hayloft opens in Haliburton

AL COUTURE

HALIBURTON — Last Thursday evening the newest restaurant and tavern in the Village of Haliburton opened its doors. Known as the Haliburton Hayloft, the business is owned and operated by Al and Marlene Couture formerly of Toronto. The Hayloft is located on Maple St. in the village and features a fully licensed dining lounge known as the "Stables" and will feature Italian foods on the menu. Upstairs is the Hayloft and will feature entertainment each weekend. The grand opening is slated for sometime in the new year and the Coutures are hoping to put on a beautiful buffet dinner New Year's Eve. However it is still in the planning stages so watch out for notices of this event and many other unique features of this new business to the Haliburton County scene.

Minden Bantams edge Omemee

MINDEN — Saturday at the Community Centre here was a red letter day for the bantams. They came up with a 3-2 victory over Omemee for their first win of the season in five tries.

Tim Wood opened the scoring in the first period on a fine two-way play from linemate Scott Yake. Minden went up 2-0 when Robbie MacLeod scored on a neat pass from Andy Shapiera late in the period.

Duane Peters cut the margin in half, midway through the second period unassisted. However, the third goal by Scott Hamilton near the end of the period proved the winner. Scott took passes from Doug Schell and Yake to ice their first win. Peters scored in the third for Omemee to end the scoring.

In Manvers earlier in the week, Minden lost a heartbreaker 2-1 to the home side. Andy Shapiera scored for Minden to avert the shutout.

PEEWEEES TIE TWICE 2-2

On November 5th the Peewees travelled to Manvers and picked up their first point of the season, tying the home team 2-2.

Minden opened the scoring in the first period on a goal by Kevin Cowen, assisted by Greg Newell. Manvers tied the game before the period ended.

Manvers went up 2-1 early in the second but Minden's Paul Walker got his team the tie, when he scored before the period ended, once again assisted by Newell.

There was no scoring in the third period when Andrew Burk came up with some very tough stops in the Minden goal to preserve the tie and his teams first point.

On Saturday afternoon at the Centre, the Pee-wees picked up another point when they tied at two with Bobcaygeon.

The first period ended scoreless but Minden went ahead 1-0 in the second. On the first of Mike Gorveatt's two goals, he gave Minden a 2-0 lead early in the third but Minden couldn't hang on as Bobcaygeon came back with a pair of goals to knot the score, by Harold Hanns and Brian Taylor.

ATOMS SPLIT WEEKS GAMES

The Minden Atoms had themselves quite a week, winning 4-0 over Manvers in Manvers and then losing 1-0 to Little Britain at the Centre on Saturday.

In Manvers, Tommie McLeod led the Minden attack with two goals while singles went to Shane Burch and Dwayne Cooper.

At the Centre on Saturday, Minden outplayed Little Britain but goal posts and just plain bad luck proved to be our guys downfall. To top off the loss, the officials tossed Corey Davies out of the game for cross-checking above the shoulders.

MIDGETS FINALLY PLAY, TIE OMEMEE 3-3

It took two weeks after the opening of the hockey season but the Midgets finally got to play a game. That, against Omemee on Saturday at the Centre and they tied 3-3.

The teams traded goals in the first period, Ome-

Home Hdwe, Rockcliffe open first season with victories

MINDEN — The first year of the men's recreational hockey league opened Monday evening at the Centre with the Rockcliffe Hotel downing pre-season favourite Hartwick Construction 5-4 and Minden Home Hardware trouncing Floyd Hall Insurance 7-1.

This new league, which features non-body contact hockey, not unlike the old timers leagues that are cropping up all across Canada and the US, plays every Monday evening at 8 and 9:30 p.m. The hockey is wide open, end to end style and very crowd pleasing for all ardent fans to enjoy.

The opening game saw Home come out flying, scoring three times in the first period over Hall. Mark Derry had a fine evening picking up two goals and two assists. Derry opened the scoring from Kevin Newell who then scored unassisted and Dave Dollo upped the score to 3-0 from Derry. Steve Harper scored the lone goal for Hall's from Barry Shaw and Neil Burk. The second period saw John Lawson cash a rebound of a hard Dolla shot from the point. The Hardware lads closed the scoring in the third period with three unanswered goals by Dollo from Derry, then Paul Cummings from John Barkwell and then Derry from Dollo and Newell.

The second game saw Hartwick Construction tangle with the Rockcliffe Hotel in a real thriller. The Construction boys opened quickly with two goals early in the first period, the first on the powerplay by Rick Hartwick from Tony LaBarge then a shorthanded marker just three minutes later by Peter Pearson from Myles Gartshore. At the end of the first it was 2-0 Hartwick.

The game turned around considerably in the second as the Hotelmen found their skating legs and

me going up 1-0 before Ivan Ingram tallied from Andy Pristol. Minden went ahead 2-1 in the second on a goal by Dave Lennie, assisted by Shawn Chapman. Omemee came back early in the third to tie the score at 2-2. Rick Beeney put Minden ahead 3-2 from Ingram and Kevin Shapiera but Omemee knotted the count at 3-3 before the final buzzer.

In a Novice contest on Saturday, Haliburton doubled the count on Minden 4-2. Jeff Francis and Scott Russell scored for Minden.

It's a jig-saw puzzle tread pattern with a purpose: so irregular and so deep that each movement of the tire puts down a new, fresh, firm, bite in snow, in slush, in mud and on ice. The tread compound has a new resilience that's awfully combative towards winter road hazards. The steel belts are butted, end-to-end. They're on perfectly straight and dead centred. And with all that, the M+S "Plus" delivers the quietest, smoothest snow tire ride.

1 Irregular tread lugs—set like unmatched puzzle pieces—account for the quiet, smooth ride.
2 Deep slashes by the hundreds form suction cups that grab and cling to pavement slick with rain, slush and snow.

Tim Davies leads Minden Juv. to 5-1 win over Cougars

MINDEN — Friday evening Minden Juveniles took to the Centre ice for their third league game of the season, with a record of one win and one tie. Their opposition was the Babcaygeon Cougars, a new entry this season after Bobcaygeon dropped out of Jr. D hockey for the first time in many years. The Cougars went into this game with only nine players and a record of two wins and one loss.

Minden came out hitting in the first period and at the 13:05 mark, they opened the scoring when Tim Davies caught the top right hand corner with a blistering slapshot, a powerplay marker, set up by Warren Mann.

The second period settled down somewhat, with Minden completely dominating upping the score to 4-1. At 10:47 Greg Carpenter intercepted a pass at the Cougar blueline and banked a shot off the post for a 2-0 Minden lead. Les Booth then scored one of the best goals of the night at 11:28 when he cashed a three way passing effort from Davies and Ted Pilcher, his linemates.

Just over a minute later, Norm Maynard spoiled netminder, Dwain Lennie's shutout bid, with a quick shot to the far post to cut the lead to 3-1. However, Kim Hamilton, while killing a penalty to teammate Carpenter, intercepted a centre ice pass and walked in alone to score unassisted.

This goal which came just before the second period intermission seemed to take the last of the steam out of Babcaygeon, as they did very little in the third period to try and get back in the game. Butch Manary put the frosting on the victory at 11:59 of the third on a nice set-up from defensemen David Shapiera.

The next game for the Juveniles is Wednesday evening in Little Britain and then home for a Friday night encounter with Manvers.

Ladies do Macrame at Carnarvon United

CARNARVON — Each Wednesday evening at Zion United Church here, several area ladies are working on macrame projects as shown above with Maxine Kent and Arnell Casey with "frog" towel holders. The six-week course has 12 ladies from Minden, Haliburton and Carnarvon enjoying themselves making towel holders, plant hangers, wall baskets and many more useful household articles.

Christmas decorations in Macrame

On November 21 until December 12th, Sir Sandford Fleming College will be conducting a macrame course at the Carnarvon United Church on making Christmas decorations. Course instructor is Darlene Johnson of Boshkung Lake (left). If anyone is interested in doing some Christmas trees, wreaths or bells, you can contact Mrs. Blanche Turner, Sir Sanford's program organizer at 457-1680. The four week course costs \$12 and runs from 7-9:30 p.m. All materials required for the three different designs is supplied by the instructor.

The Treasures of TUT

BANCROFT — If you cannot get to Toronto to see the Treasures of King Tutankhamen, the next best thing will be an evening in Bancroft, on Wednesday November 14th.

On that date, the Visual Arts Committee of the Algonquin Arts Council has booked the Art Room of the North Hastings Senior Elementary school for a local presentation of the Treasures of King Tutankhamen. The evening will feature video tapes, visual

displays and discussion.

If you are not one of the lucky ticket holders, or even if you are, the committee would like you to enjoy and understand the Treasures of Tutankhamen.

Due to the tremendous response, all tickets to the Kink Tut exhibit in Toronto have been sold, and the committee regrets that some of the orders had to be returned.

Save Time & Money

GREEN LIGHT — Looking for a way to display your houseplants to their best advantage? Group lighted cubes of varying heights against a wall. It's relatively simple — you begin with storage cubes you may have on hand, or buy unpainted, or even build. One side (top) must be open, and you have these sides fitted with frosted glass. Under each cube you put a low-wattage bulb and socket and wire these to a single outlet. Plants are then displayed atop the cubes (some can be stacked; only one glass top needed then) for drama and green excitement.

CHOP, CHOP — Built-in cutting boards were standard in Mother's kitchen — they came attached underneath cabinets and were incredibly handy. If your kitchen lacks boards, you can try installing your own. Buy a hunk of inch-thick board and the glides for installing at a hardware store. Place it close to sink and/or stove. A coat of wax will protect the board surface.

FLOWER FIXER — In a pinch, a bunch of hair curlers (brushes removed from the brush type) will hold cut flowers firmly in a vase or bowl. Fasten as

many rollers as needed together with masking tape and tape the roll to the container if necessary.

STORAGE DOOR — Handy home carpenters can create extra storage by framing around and above a door with paneling or wallboard. Measure and then buy materials. Shelves go in first, and

it's a nice idea to leave some open on one side to display your pretty things. The opposite side becomes a narrow cabinet to hold the clutter. You can finish your new storage wall in color or cover with wallpaper or even match the room's paneling.

When it comes to income these days, about all you can keep is quiet.

Christmas Decorations with Macrame

During this four week course students will make Christmas trees, bells, and wreaths using basic macrame knots. Materials will be available for purchase from the instructor.

Roy King rolls 788 triple

CARNARVON — On Wednesday, Peterborough Lumbar came up with a mere 13 points of a possible 21 but still managed to hold first place in the Men's Commercial league. With hunting season in full swing, many of the teams were short bowlers and the scores reflected this.

However, there was one bright spot on Wednesday and that was the scores of a spare bowler from Vankoughnet, Roy King. Roy put together singles of 238, 210 and 340 for a fine 788 triple, one of the highest triples this season. Teammate Ron Robinson Jr. also came through with a fine performance, rolling a 300 single on his way to a 720 evening.

Team standings to date has PL first with 105 Ingoldsby with 103; Guilford Recreation 102; Car-

narvon Lanes 97; Modern Electric 91 and Jim's Barber Shop 80.

Other top scores of the night went to: Frank Dunsford 698; Don Burch 700; Elroy Terry 687; Bob Heppleston 643; Wes Stata 642 and Albert Cox 668.

Ontario Housing Corporation is distributing a brochure on "Play".

Ontario Housing Corporation is distributing a brochure on "Play" as an International Year of the Child project aimed at persons interested in child development.

The year 1979 was proclaimed by the United Nations as the International Year of the Child in order that governments and individuals around the world would concern themselves with the present condition of their children.

The brochure prepared by OHC summarizes the type of play that children in various age groups can engage in and it outlines how

play can contribute to the development of children's social, intellectual and/or physical skills.

It also underscores the importance of play to the child and, with its bibliography, will be of interest to parents and professionals in the field of child development.

"As managers of large portfolios of socially assisted housing for families, we have a special interest in children," says OHC's general manager Doug Beesley.

"Over 80,000 children live in our family projects in almost 300 municipalities across the province," he

says. "The necessity of play is seen as fundamental in the development of a child. It is through an understanding of play that parents can provide meaningful play opportunities for their children."

Parents and those interested in child development may obtain copies of this "Play" brochure by contacting OHC's office of the general manager, 101 Bloor St. W., 14th Floor, Toronto, Ontario M5S 1P8. Please mark envelopes "Play" brochure.
